

T3 and T7 Waste Exemption Registration Form Environmental Permitting (England and Wales) Regulations 2010

Introduction

When to use this form

To register a T3 OR T5 exempt waste activity.

Under the Environmental Permitting (England and Wales) Regulations 2010 (the EP Regulations), Schedule 3, Chapter 3, Section 2, all T3 and T7 waste exempt operations operating within the district of Sedgemoor must be registered with Sedgemoor District Council. These are:

- T3 - The treatment of waste metals and alloys for the purposes of removing grease, oil or any other non-metallic contaminant by heating it in an appliance or appliances with a net rated thermal input of less than 0.2 megawatts.
- T7 - The treatment of waste bricks, ceramic tiles and concrete by crushing, grinding or reducing it in size but not including any treatment covered by a Part B permitted activity as described in Schedule 1, Section 3.5 of the EP Regulations.

Please Note: Where an exempt waste activity is a directly associated activity of a permitted Part B activity in relation to emissions to air, the waste activity must be incorporated into the existing Permit.

Registration

If your registration is accepted, you will receive written notification including standard conditions to which you must adhere to.

Once accepted, any changes to the particulars of the registration, such as a change to the exempt waste operation or to the nominated contact details, must be notified to Sedgemoor District Council in writing.

Renewal

A registration is valid for three years from the date of issue. A registration may be renewed at any time during the month preceding the expiry date of the registration. Please complete the form and return to Sedgemoor District Council.

Any Changes

If there are any changes to the operator, the waste operation or the address the operation is carried on at, you must complete this form and return to Sedgemoor District Council before the changes are made.

Failure to Comply

Exempt waste operations that breach any of the objectives of Article 4 of the Waste Framework Directive or fail to comply with the conditions of the Exemption issued by Sedgemoor District Council will cease to be exempt and may need to be referred to the Environment Agency for an Environmental Permit.
