Declaration

I give my consent for Sedgemoor District Council to access my status information online through the use of the DBS update services as frequently as required for the purposes of my role as a licenced hackney carriage / private hire driver with them.

I give this consent on application and for the duration of my appointment of a licenced hackney carriage / private hire driver with Sedgemoor District Council, and until such time that I no longer wish to continue as a licenced driver, have surrendered my licence and drivers badges to them, or my licence has been revoked or expired.

In addition, I give my consent for Sedgemoor District Council to retain a copy for its records of any DBS enhanced disclosure that I have provided to them. This will be securely retained, and then destroyed when required by the Data Protection Act 1998.
